

d) Eye of the Unknown (180 points)

Here the hints point towards a specific device which is used for surveillance and hides critical information . And the text written below (12f91c7354221bfe142f54f02e331c16) looks like some encrypted key.

If you connect the name of the question and the hint you'll realize that the device is none other than a CCTV Camera's and you can easily access cameras with public IP at Shodan.io

So all you have to do is enter the key in the search bar and the flag will be found.

Flag - hacks{EPIC_Store}
